22 September - Term 3 Ends
9 October - Term 4 Begins
15 December - Last Day of School 2023

Many of you will be wondering what is happening with the junior playground and when it might be completed. The good news is that the construction team is back onsite with the timeframe to be completed by the end of this term, ready for reopening in Term 3. We thought we would share the vision for additional shade cover in the school and below are photos of the three shade structures for each playground. The junior playground will be white and the other two will be navy blue in keeping with the school colours. We are putting out extra play equipment for the younger children under the covered Year 1 area while this work is taking place.

Thank you for attending your child's Teacher Led Conference over the past week or so. We had really good whaanau attendance rates to these learning conversations and we really appreciate your engagement in them. If you did not manage to book a time please contact the classroom teacher to make a time that suits.

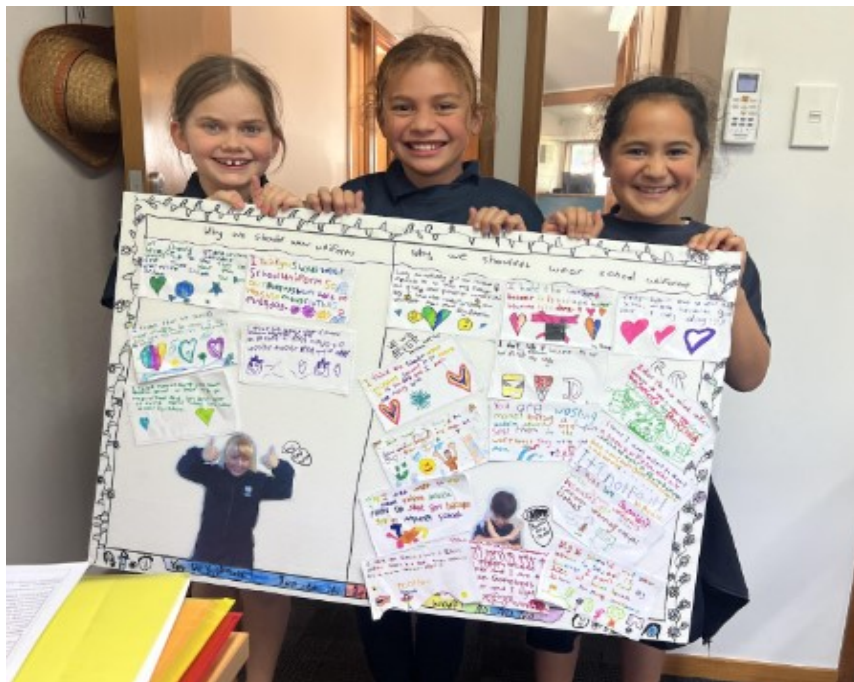

In staff news, it is with sadness that we farewell Tiarnán Quinn and Andrea Hawtin at the end of this term. Both teachers are shifting up north to be closer to whanau. Tiarnán to Spain and Andrea to the Warkworth area. Tiarnán and Andrea joined the teaching team at Waterlea at the beginning of 2022 and we thank them for their professionalism, teamwork and maanakitanga. Our tamariki, whaanau and staff will miss them and we wish them well in the future.

Waterlea Whaanau Morning - Maths @ Waterlea

Next Friday 23 June, Waterlea is holding an open morning for whaanau to come along and get a sense of what maths teaching looks like at Waterlea. You are welcome to pop into your child's classroom and spend a bit of time alongside your tamariki, getting involved in their maths learning. Junior classrooms are planning to be open to visitors 9:00-9:45am, the middle and senior school will be open 9:30-10:20am.

Persuasive Writing at Waterlea

Many of our older tamariki are learning to persuade an audience to consider new perspectives and ideas through writing. Room 11 have been looking at writing different perspectives regarding an important issue close to their hearts - should Waterlea School have a school uniform? Thanks Chey, Amelia and Renee for sharing your chart outlining the main points of view on uniforms - some of your arguments were really convincing!

Royal Oak Intermediate - Enrolments are now open

Enrolments are open for 2024 for Royal Oak Intermediate. They are hosting tours starting from next week and an Open Evening next term. Please click the link to Book your Tour:

The poster features a green background with a blue wavy line at the bottom. On the left, there is a small image of the school building. On the right, there is a circular inset image showing two students in blue uniforms sitting at a table, looking at something together. The school's logo, a stylized bird, is in the top right corner. The text is centered and uses various colors (white, blue, red) for emphasis.

ROYAL OAK INTERMEDIATE
