27 Sept	Whole School Mana Assembly 9:30am
27 Sept	Term 3 Last Day
25 Oct	Teacher Only Day (school closed)

What an amazing night of performance we had last Friday, shared with our other Kahui Ako schools at Onehunga High School. There were performances from the 10 Kahui Ako schools and they were all outstanding. Waterlea Break Club and Waterlea Kapa haka represented our kura and they were both impressive. Thanks goes to Whaea Aroha, Whaea Marama and Whaea Jody for supporting our tamariki in their performances. Waterlea had the highest number of participants in the performances - there were nearly 100 children involved. We'd like to thank all our whaanau and kaiako who came along to the event in support of our children. It was much appreciated and helped make it so successful. The Kahui Ako principals met yesterday and decided that this event was so successful it will happen on a more regular basis, so the time to get practising is now!

We'd like to acknowledge Lalaga, the whaanau group made of parents from the different schools, who led this initiative. Lalaga came together a few years ago to lead initiatives which help increase student engagement and attendance. They will review the event and put in some additional measures to cater for the audience numbers. Radio New Zealand did a story on this event and you can find the link here along with photos of our tamariki.

The Te Tuhi trip story from Room25

Today was the day of the big Te Tuhi trip. Te Tuhi is an amazing, mind blowing art gallery. We went there because we have been learning about architecture and geometry in our classrooms. When the bus arrived we saw it, and it was huge. It even had carriage seats. We saw graffiti out the window of the bus on the way. Finally, we arrived and felt excited and ready to make our own 3D dream houses. Whaea Anna signed us in and Bree from Te Tuhi came to teach us. While she was talking to our teacher we ate our morning tea so we weren't hungry while we turned into architects. In the art studio it was really cool and filled with amazing and outstanding art supplies. We got to use cardboard, water colours, crayons, vivids, pastels and scissors. When we made our 3D houses, I learnt lots more about building houses and architecture. There are some funky looking buildings around the world. On the way back to school I was really cautious not to break my dream house. As I looked out the window it was fascinating to see the power lines zooming past the window.

Skids Waterlea

17 House Avenue, Mangere

Monday 30th September to Friday 11th October 2024
