Ministry for Pacific Peoples

We hope you all had a lovely break with your tamariki and hope you were able to connect with whaanau and friends. Over the holidays we were very excited that we had further progress in terms of the cover over our Junior Playground. (photo) The contractor is just working on drainage and then we can open it up for business again ready for the summer months ahead. We have a busy term of learning planned and many whole school and team events to watch out for- make sure you are checking out the calendar for the important dates.

### The Witch in the Cherry Tree

As part of BSLA, the junior children explore quality picture books. During the last week of term 3 the picture book chosen was Margaret Mahy's classic 'The Witch in the Cherry Tree'. We were lucky enough to have our very own witch in our very own cherry tree! Thanks Signe!

## **Keeping Ourselves Safe**

During Term 4, we will be teaching the personal safety programme Keeping Ourselves Safe.

Keeping Ourselves Safe enables children to learn and apply a range of safety skills that they can use when interacting with others. Children recognise the differences between healthy and unhealthy relationships, and information about how and when to seek help is shared.

Keeping Ourselves Safe will be taught by your child's teacher, over a few sessions, with support from the local Police Education Officer Priscilla.

Year 3-6 will be learning how to identify potentially unsafe situations involving other people in both the real and the digital worlds. These situations may involve people they know, new people they meet, and people they only know through online communications. In the real world, people who wish to harm children are most likely to be known to them. In the digital world, the harm may come from people they know through email, cell phone or chat room messages, or from people they meet in social networking sites. What the programme will look like for Year 1 and 2 will be communicated later in the term.

This is a really valuable learning experience for all tamariki. The programme will be delivered during a few sessions over the term. If you have any specific questions please contact either the classroom teacher, or our SCO (School Community Officer) Priscilla Tauleva on 0211910516 [Priscilla.tauleva@police.govt.nz](mailto:Priscilla.tauleva@police.govt.nz). Priscilla will also be at school on Tuesday 22 October at 8:30am and 2:20pm in the vicinity of the office to answer any questions you might have.
